

The RC7155/7156 belt sander range is perfect for body shop and general repair jobs

- Quick replacement of the sanding belts (10 mm and 20 mm) thanks to the quick-release device
- Efficient working with a speed of 18,000 rpm
- Adjustable sanding arm for better reachability
- Small and manageable tool for confined spaces
- Exhaust air routing to the rear for greater occupational safety

Belt sander Model RC7155

Item no.: 8951072041

Power: 300 W
Speed: 18,000 rpm
Length: 285 mm
Weight: 0.8 kg
Sanding belt (L x W): 330 x 10 mm

Belt sander Model RC7156

Item no.: 8951072051

Power: 370 W
Speed: 17,000 rpm
Length: 353 mm
Weight: 1.15 kg
Sanding belt (L x W): 520 x 20 mm

RC7710V6-2H	8951000082	10 mm	10,000 rpm	150 mm	1.1 kg	7.5 l/s	1/4" BSP

Particularly powerful motor with 285 watts for vertical and horizontal applications

Manageable and lightweight tool with high operating comfort thanks to the ergonomic palm shape with soft grip for perfect control

Available as a one-handed version model RC7705V6 and two-handed version with additional handle RC7705V6-2H

The lightweight and powerful RC7705V6/RC7705V6-2H series orbital sanders are perfect for final sanding, finishing and pre-polishing

**Replacement sanding disc**

Item no.: 8955000012

For models RC7710V6 and RC7705V6-2H.

**Orbital sander
Model RC7661V**

Item no.: 8951072231

The RC7661V is an orbital sander for use in body and paint shops

Orbital sander with 2.5 mm orbit for final sanding, finishing and pre-polishing. Pad diameter 75 mm.

**Orbital sander /
pad diameter
50 mm / 75 mm
Model RC7682**

Item no.: 8951000005

The RC7682/7682K range of mini pistol-shaped orbital sanders are the ideal tools for surface preparation and spot repair

- Efficient working with a 5 mm orbit and a speed of 15,000 rpm
- Lightweight composite housing only 124 mm in length and weighing only 0.5 kg and with a rubberized grip for ergonomic handling

**Orbital sander
200 mm
Model RC7691V**

Item no.: 8951072212

The RC7691V orbital sander is the ideal tool in body shops and paint shops

Particularly powerful motor with 210 watts for aggressive and efficient sanding on large areas

**Pneumatic orbital sander
as a set, model RC7682K**

Item no.: 8951000018

Small powerful sander for quick completion of small areas of sanding / smart repair

- Speed regulation in the grip area
- Incl. supporting disc ø50+75 mm
- Incl. 10 sanding discs each with a grain size of 600, 320, 180, in ø50+70 mm

Lift: 5 mm
Orbit: 5 mm
Speed: 15,000 rpm
Weight: 0.53 kg
Noise level: 79.6 dB(A)
Vibration: 8.9 m/s²
Air connection: 1/4"

Die grinder

The RC7028/RC7048/RC7128 ranges of sanders are perfect for automotive, body shops and general maintenance shops

Model	RC7028	RC7048	RC7128

Speed	27,000 rpm	27,000 rpm	23,000 rpm
Length	191 mm	250 mm	169 mm

Die grinder Model RC7009

Item no.: 8951000274

The RC7009 rod sander is perfect for general maintenance jobs and for high-speed sanding

Die grinder Model RC7058

Item no.: 8951000278

The RC7058 is the powerful and ergonomic sander for general maintenance and everyday use

Very robust and powerful 300 watt motor with 30,000 rpm for continuous use.

Efficient work with an power of 700 watts and up to 23,500 rpm.

Pneumatic die grinder 400 W, 2,800 rpm Model RC7068

Item no.: 8951000329

The RC7068 is the high-torque and ergonomic die grinder for maintenance and everyday use

Efficient work with an power of 400 watts and up to 2,800 rpm.

Mini die grinder Model RC7051

Item no.: 8951000165

- High speed of 60,000 rpm for efficient working
- Collet for 3 mm sanders and milling cutters
- Sound absorbing hose included for a low noise level of 71 dBA

Engraving pen Model RC5030

Item no.: 8951071010

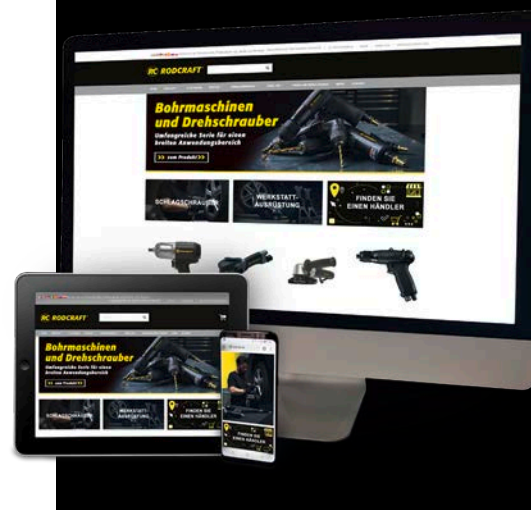

The Rodcraft RC5030 pneumatic engraver is the ideal tool for any workshop to permanently mark or number parts

Tire buffer **Model RC7088**

Item no.: 8951000330

Popular carcass sander with high torque and keyless chuck.

- Powerful, low-revving planetary gearing.
- With quick-change mounts with thread adapter 3/8"-24.
- Free speed: 2,800 rpm
- Power: 400 watts
- Air inlet: 1/4"
- Weight: 1 kg

Disc 3/8" for tire buffer

Item no.: 8940175873

Die grinder **Model RC7038**

Item no.: 8951000328

Mount: 5/16"
Speed: 2,800 rpm
Power: 400 watts
Weight: 1.0 kg

Erasing disc

Item no.: 8951011677

Optimal for removing foils and stickers as well as adhesive residues from balancing weights on rims
