

AluKlik®

70 Classic | 70 Slim

Blending quality with economy, AluKlik is a solid investment for professionals or DIY enthusiast. Whilst it is our entry into the range of professional towers, there is no compromise on the quality of the design with every joint fully welded by robots for strength and durability. The folding base unit is fast and easy to set up and eliminates the chances of incorrect assembly.

	Length: 1,9 m
	Width: 0,7 m
	The maximum working height for interior and exterior is 14 m
	Maximum load per platform 200 kg/m²
