## 7556SS

### Automatic self-retracting safety utility knife whit set of 10 spare blades SK5

- heavy duty metal construction with comfortable rubber grip
- easy to change blade, no tools required
- suitable for left and right handed users
- comes with 10 safety blades

Dual-action safety knife. Blade safely retracts even when the finger is left on the blade slider.

Switch the knob to the "change" position, move the slider forward, release the worn blade, mount a new blade in place and move the knob again in the lock position.
